Description

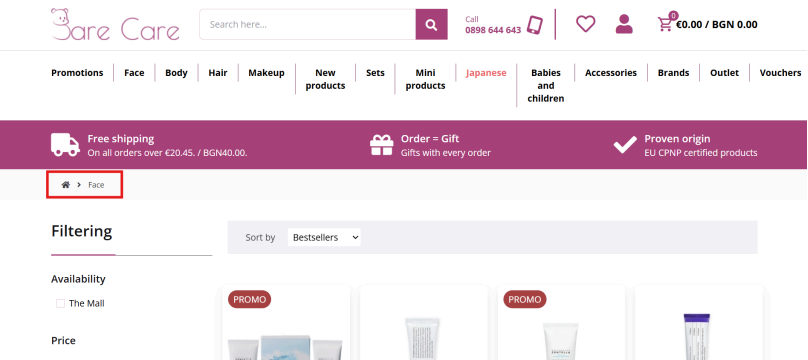

Every page load and work corectly, but theres some visual bugs.

Title: Visual bugs in the UI.

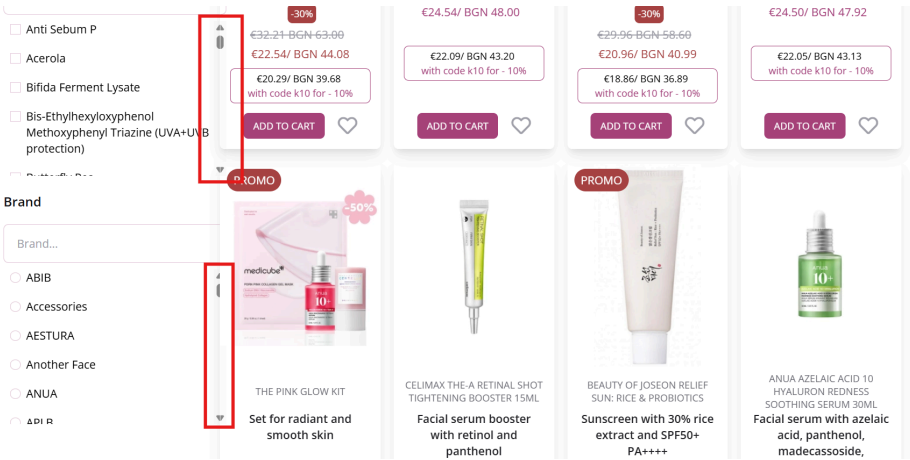

Pre-conditions: Open any tab for example “face”.

Steps to reproduce:

1.Open any tab for example “face“.

2.Navigate to the filters.

The scroll bars are transparent or overlapping.

3.On english language “add to cart” and the “favourite” button are displayed correctly but on bulgarian language theres some visual bugs.

-English: No Issues.

Some parts of the text are displayed out of the box and the heart icon is too close to the text box.
